My new school

This is my new school. It is called Northbourne Public School.

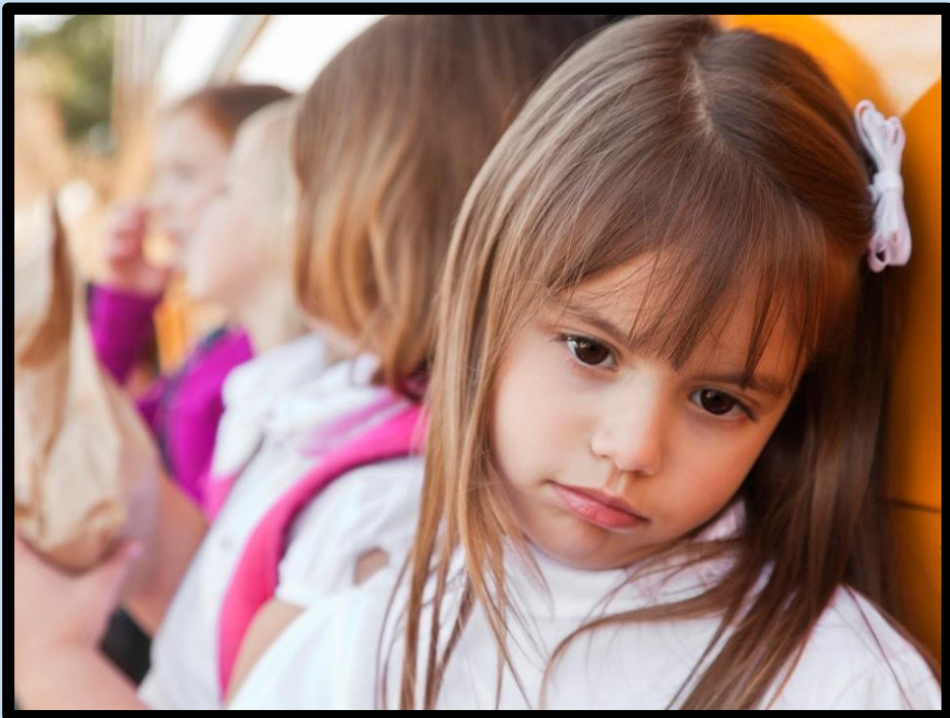

My teacher and the other teachers at school will look after me while I am at school. I can ask my teacher to help me if I need help.

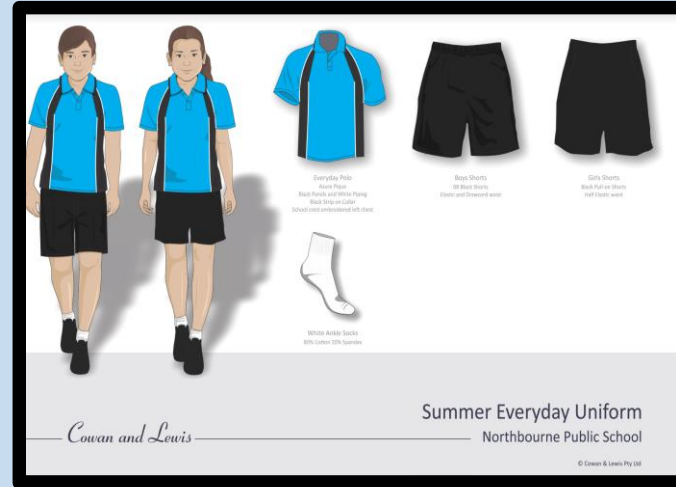

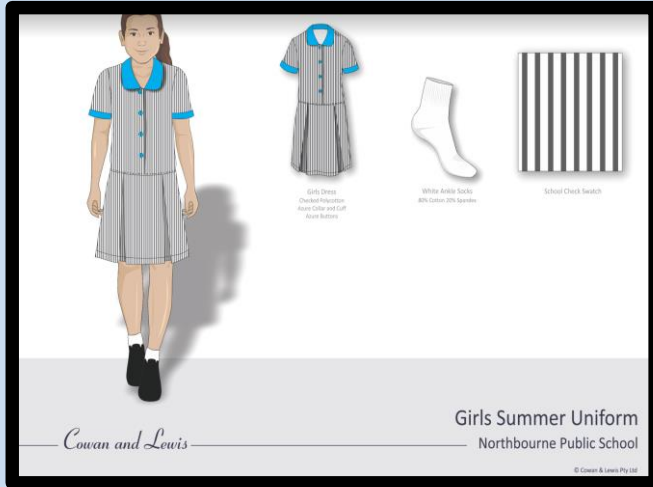

I can have a lot of fun at school and learn a lot of things. I might see some old friends there and make some new friends.

Sometimes I might miss my family while I am at school but my teacher will help me to feel better.

I wear my uniform to school. I wear my hat outside to protect me from the sun.

I have a school bag with my recess, lunch and water bottle inside. My name is on everything.

I eat my recess and lunch at school. I eat healthy food to feel good and grow strong.

This is our principal whose name is Mrs Hedge. The principal looks after all the children and teachers at school.

In the classroom I have fun and learn with the other children in my class.

I know how to do a lot of things at school because I have done them before. I draw, paint, paste, count, play, listen to stories and sing songs at school.

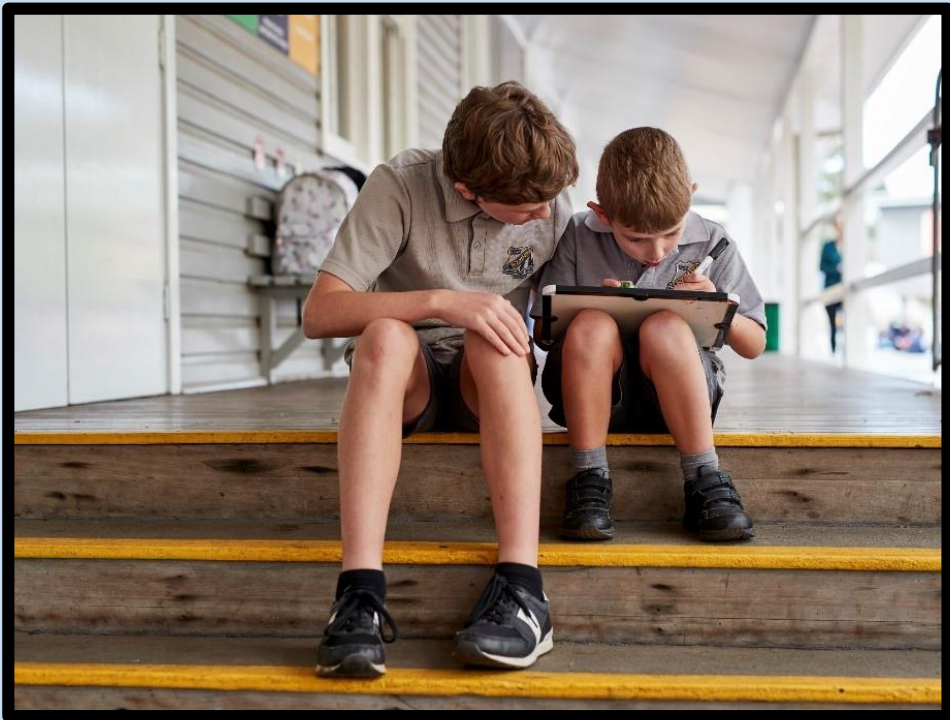

There are tables and chairs in the classroom and a mat where all the children can sit and listen to the teacher read a story or learn new things.

It is fun to talk, laugh and play with my friends in the playground at recess and lunch time.

There are big kids at school. Some of these big kids can be your friend or buddy at school.

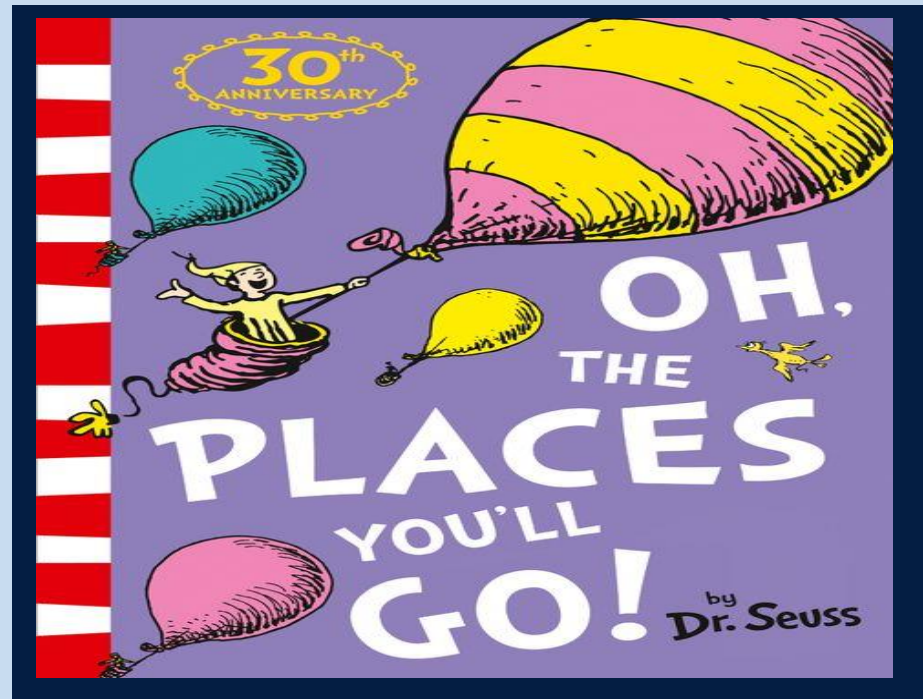

Monday, Tuesday, Wednesday, Thursday and Friday are school days. Saturday and Sunday are the weekend days. You don't go to school on the weekend.

This is the school office. Sometimes children take messages to the office.

My school has a special room called a library. I can take some books home in my library bag so my family can read them with me.

There are toilets at my school. We learn where the toilets are and how to use them. There are toilets for boys and toilets for girls. I always flush and wash my hands after I use the toilet.

All of the children have someone who picks them up after school. The teachers look after me until I am picked up. Some children might go home with their mum or dad or another person who looks after them.

When I am going home I say
goodbye, smile and wave to
the teachers and other
children.
