

Going to School

In February, I will be going to my new school.

It is called Northbourne Public School.

I will go to school on weekdays:
Monday, Tuesday, Wednesday,
Thursday and Friday.

Saturday and Sunday are weekend days
and I won't go to school on those days.

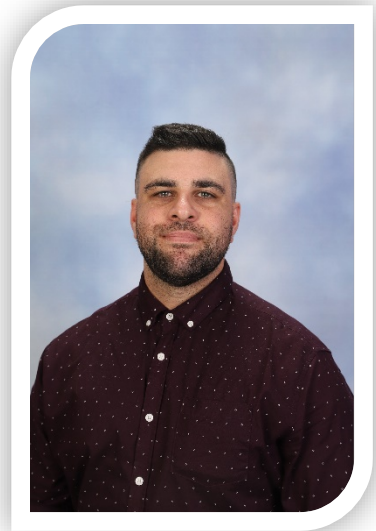

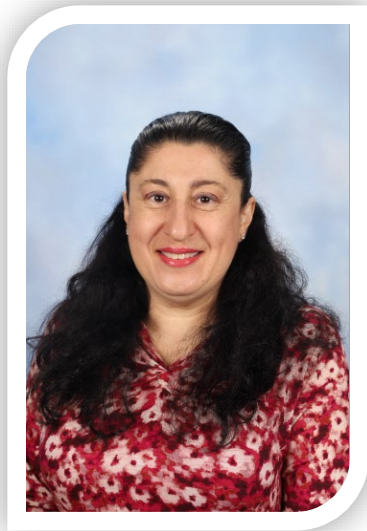

There are lots of teachers at my new school.

My teacher and the other teachers will care for me and teach me many interesting things.

This is Mrs Hedge, the school Principal. Mrs Hedge looks after all the students and teachers at our school.

Miss Daher, Mrs Mar and Mr Falzon are the Deputy Principals. They help Mrs Hedge and all the other teachers.

This is Mrs Monk. She is the Assistant Principal who looks after Kindergarten.

There will be lots of children at my new school. I might see some old friends and I can make new friends as well.

We will have lots of fun and learn so many new things.

I will wear my uniform to school every day with my black school shoes.

If it is sports day, I will wear my sports uniform with sports shoes.

This is my school hat that I will wear every day.

My name will be on everything that I wear and take to school.

I will also have a school bag with my name on it.

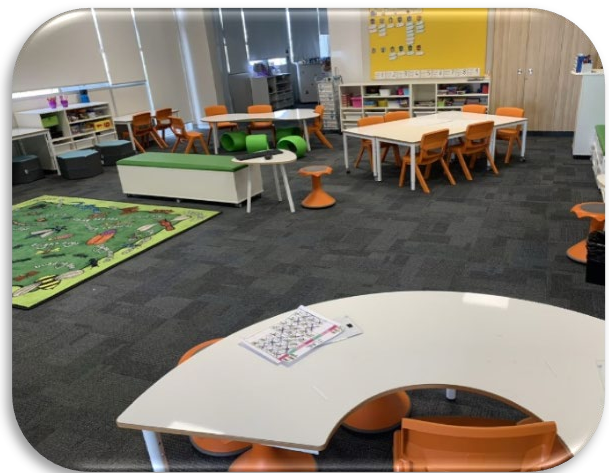

Inside my bag, I
will have a
lunchbox and a
drink bottle.

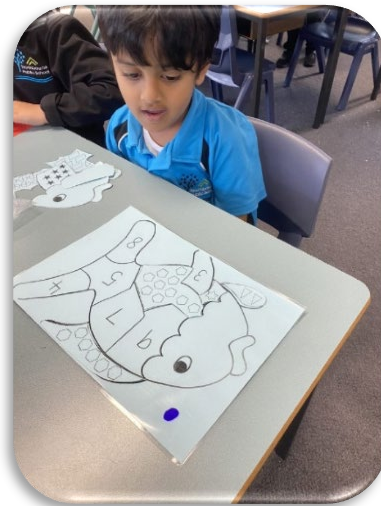

At school, I will eat crunch and sip,
recess and lunch.

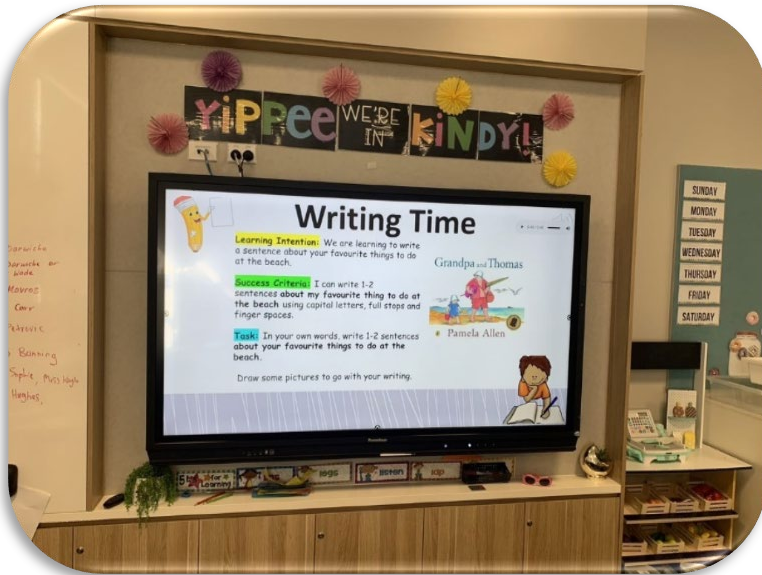

I will eat healthy food to make me feel
good and to grow up healthy and strong.

My classroom might look like this. I will have fun and learn lots of new things in my classroom.

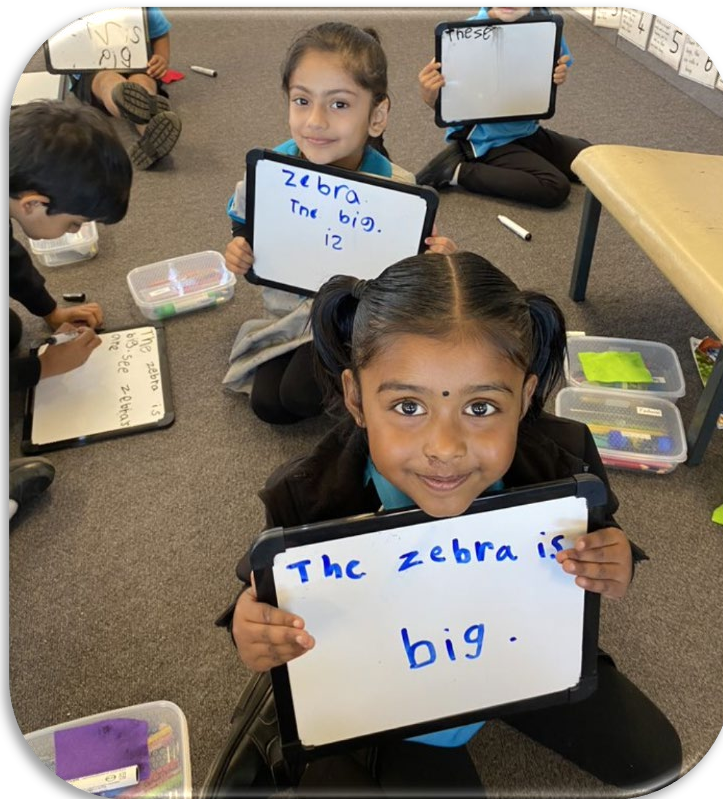

There will be things I do at school
that I already know how to do.
I will count, sing songs, listen to
stories, cut, paste, paint and draw.

I will also learn
new things in
reading,
writing, history
and science.

This is the school office. If I have any notes or money for excursions or special events, I will hand it to the office ladies.

This is part of the playground. At recess and lunchtime, I can go outside and run, play and laugh with my friends.

There are toilets for boys and girls at my new school.

The teachers will show me where the toilets are near my classroom and in the playground.

At home time the teacher will look after me until I am picked up. Some children may go to afterschool care. Some children will even go home on the bus.

I can't wait to start my first day of kindergarten!
